*In the spring of 2011, Border Boers along with Taylor Livestock purchased the entire herd of Lambert Show Goats "900 BLOODLINE". This set of goats has made a name for themselves in the show ring as well as in other goat breeders breeding programs. We are keeping the Lambert "900 BLOODLINE" herd in tact, but we are doing some outcrossing with the Lambert bucks on our does and flushing a few of the select Lambert does to some of our Champion producing bucks.*
